## La Cividina l'evoluzione del made in Italy

L'esperienza modella la creatività, la cultura del design incontra la cura artigianale dei dettagli, La Cividina continua la propria evoluzione. Un percorso aperto alcuni anni fa, come il nuovo capitolo di una storia aziendale iniziata nel 1976, per dare vita a una proposta sempre più completa, eclettica e affascinante. Ad una gamma affinata e consolidata di prodotti, pensati per risolvere con raffinata semplicità le più diverse situazioni d'arredo, alla collaborazione con importanti personalità nel panorama del progetto, come Antonio Rodriguez e Antonino Sciortino. Dalla ricerca contemporanea di Luca Botto alla riscoperta del design organico e profetico di Pierre Paulin. Giovani personalità e importanti protagonisti del design, Sebastian Herkner, Constance Guisset, Form Us With Love, Michael Geldmacher, Simon Pengelly, Skrivo Design, Büro Famos, contribuiscono con la loro creatività e la loro ricerca ad arricchire una collezione sempre più ampia e trasversale, nella quale la semplicità, la bellezza e la qualità sono valori profondi e riconoscibili.

## La Cividina the evolution of made in Italy

Creativity is moulded by experience, the culture of design meets the skilled craftsman's attention to detail, and La Cividina continues to evolve. This is a journey that started a few years ago, a new chapter in the history of a company founded in 1976. It aimed to create an even more rounded, eclectic and captivating offering, to develop a refined, stronger product range, providing the simplest and most elegant solutions to the most diverse of furnishings, and to work with prominent figures in the world of design, such as Antonio Rodriguez and Antonino Sciortino. From Luca Botto's contemporary research through to the rediscovery of Pierre Paulin's organic, almost prophetic design. Young and major designers, Sebastian Herkner, Constance Guisset, Form Us With Love, Michael Geldmacher, Simon Pengelly, Skrivo Design, Büro Famos, contribute with their creativity and research to enrich a collection that keeps getting broader and more transversal, deeply rooted in simplicity, beauty and quality and with recognizable values.

## La Cividina l'évolution du made in Italy

Alors que l'expérience modèle la créativité et que la culture du design rencontre la précision artisanale pour les détails, La Cividina continue à évoluer. Ce parcours, qui a débuté il y a quelques années comme le nouveau chapitre d'une histoire d'entreprise qui a vu le jour en 1976, a donné lieu à une offre de plus en plus complète, éclectique et fascinante, à une gamme détaillée et renforcée de produits pensés pour répondre avec une simplicité raffinée aux contextes d'ameublement les plus variés, ainsi qu'à la collaboration avec des personnalités importantes dans le cadre des projets, comme Antonio Rodriguez et Antonio Sciortino. Sans oublier la recherche contemporaine de Luca Botto et la redécouverte du design organique et prophétique de Pierre Paulin. Jeunes designers et acteurs importants du design, Sebastian Herkner, Constance Guisset, Form Us With Love, Michael Geldmacher, Simon Pengelly, Skrivo Design, Büro Famos, contribuent avec leur créativité et travail de recherche à enrichir une collection de plus en plus ample et transversale, caractérisée par des valeurs fondamentales comme la simplicité, la beauté et la qualité.

## La Cividina Die Entwicklung des made in Italy

Erfahrung formt Kreativität, Designkultur trifft auf handwerkliche Liebe zum Detail, das Unternehmen La Cividina setzt seine Entwicklung fort. Dieser Weg wurde als neues Kapitel einer 1976 begonnenen Unternehmensgeschichte vor einigen Jahren mit dem Ziel eingeschlagen, ein immer umfassenderes, vielseitigeres und attraktiveres Sortiment zu bieten. In Zusammenarbeit mit wichtigen Persönlichkeiten der Innenarchitekturlandschaft wie Antonio Rodriguez und Antonino Sciortino eine erlesene, starke Produktpalette zu entwickeln, die mit edler Schlichtheit den verschiedensten Einrichtungsanforderungen gerecht wird. Von der zeitgenössischen Forschung von Luca Botto bis hin zur Wiederentdeckung des organischen und prophetischen Designs von Pierre Paulin. Junge Designer und berühmte Vertreter des Designbereichs - Sebastian Herkner, Constance Guisset, Form Us With Love, Michael Geldmacher, Simon Pengelly, Skrivo Design, Büro Famos - bereichern mit ihrer Kreativität und ihrer Forschungsarbeit eine immer umfassendere und vielseitigere Kollektion, in der Einfachheit, Schönheit und Kreativität tiefgreifende und erkennbare Werte sind.
